

Home Weatherization Assistance Program (HWAP)

What you need to bring...

To determine eligibility for the Home Weatherization Assistance program (HWAP also known as Weatherization) you will need to complete the Application packet. To do so the following items are necessary:

- Photo ID (Driver's License, Ohio ID Card)
- Original Social Security Cards and dates of birth for all household members
- Proof of gross income for everyone in the household for the past year (1 full year)
- Current electric and gas bills that are in the name of one of the adult household members
- Proof of home ownership
- Case Number if receiving Assistance

If you have any questions about the items required- please call 440-997-5957.
